Fox Valley United Way's mission is to advance the common good by collaborating with donors, volunteers and advocates to address issues that affect quality EDUCATION, adequate INCOME and good HEALTH. We believe that if we can impact these three areas, we can promote a more stable environment within the home—and create opportunities for a better tomorrow for the Fox Valley communities we serve.

With your help, we are identifying barriers that keep individuals and families from escaping the cycle of poverty and its effects. Together, we are supporting solutions provided by our partner social service agencies and creating innovative ways to tackle our community's toughest issues.

Thank you for joining us to LIVE UNITED.
